If you provide an email, you will receive a registration confirmation. If not, you must call to confirm your registration for Reno or Las Vegas

## Final Certification

Participants will be required to take a written exam. Those individuals who pass the exam will be certified to work on local, state & federal projects in Nevada which require flagging certification.

The **Flagging Registry** of certified flaggers' names is located online at [www.tmcc.edu/ltap/flagger-certification](http://www.tmcc.edu/ltap/flagger-certification)

## Description

This four-hour course meets the basic requirements of the Manual on Uniform Traffic Control Devices (MUTCD). At the end of the training, participants will know and understand:

- ♦ the importance of proper signing,
- ♦ the importance of flagger positioning,
- ♦ the importance of a proper dress code,
- ♦ the proper use of flagger tools and signaling for stopping,
- ♦ slowing and releasing traffic,
- ♦ the hazards of night time flagging,
- ♦ a temporary traffic control zone.

## Registration

The registration fee is **\$60**. Only money orders, certified checks or company checks made payable to the **Board of Regents** will be accepted.

**Personal checks will not be accepted.**

Did you know you can also register online? Please visit [www.tmcc.edu/wdce](http://www.tmcc.edu/wdce) and click on *Register Now* to view upcoming classes.

The registration fee must be received in our office five days prior to the class date.  
**A minimum of five participants is required to hold each course.**

## Reschedule

If you register for a course and do not attend on the date you specified, you must call (775) 829-9045 and reschedule. Please leave your name and current phone number, so we may call you to confirm a date.

If you have any questions, please call us and leave your name and phone number we will return the call to you.

## Instructors

The course will be taught by a pool of certified flagging instructors.
